Not until the eighth inning was Bridgeport able to get a hit off Justin, when Russell secured a clean swing to right field, and later Snyder scratched one down McCarthy's way. Snyder was hit often and his support was reckless. Young's work at short was flashy. On two occasions he was visiting batters of hits. The score: Springfield 6 to 0 Bridgeport 0.

## WALTER COX TAKES GRANITE STATE

Drives Lady Grattan Through Hard Contest a Winner—Tommy Horn and Reusens Close Contenders—Earl Jr. Springs Surprise in Free-for-all

Salem, N. H., Aug. 21.—Walter Cox before a crowd of 9,000 persons made one of the best drives of the year at Rockingham Park today, winning the "Granite State" valued at \$5,000 with Lady Grattan. Reusens from the Geers stable was counted a certain winner, as last week he won the classic M. & M. Stake at Detroit. Lou McDonald outsped the field in the opening heat with "Tommy Horn," though Cox brought Lady Grattan up to a close finish, the first three horses being lapped at the wire. Tommy Horn led the second heat till right to the wire when Cox nipped him with Lady Grattan. Reusens was a length back with Reusens. Lady Grattan led all the way in the third heat. Reusens was breaking and running the last twenty yards, but the judges placed him second. In the final heat Lady Grattan broke soon after getting the word. Reusens taking the lead in the back stretch. In the last furious Cox challenged Geers and fairly outtraced him.

Tommy Murphy of New York never won a cheaper race than the pacing division of the American Horse Breeders Futurity with Tilly Tipton. Of the \$3,000 the winner got \$2,100 while Reusens, the runner-up and Ella K. R. took \$375.50 each. Bivolo was the pick of the talent for the 2:20 trot, but Alie Merrifield of Baltimore had no trouble in annexing first money with Bon Ton. Cochato Maid, Baron Sidout and Lady Watts took turns in finishing in second position.

Earl Jr. the Canadian pacer that has been winning free-for-all this season over half mile tracks, turned a neat trick by taking the fast pace here in Grand Circuit company. Braden Direct had the call with the followers of the "big line" but he was unable to even carry a brush with the winners in home stretch drives, breaking each heat.

**VOLUNTOWN-GLASGO DEFEATS BEAR CATS.**  
Close Game Results in Victory for Home Team.  
The Bear Cats of Taftville were the opponents of the V. & G. combination on the Voluntown grounds last Sunday afternoon. The home team winning a close and interesting game, 3 to 2. A feature of the game was the pitching of Larkin for the home team, who struck out nine men and allowed ten hits, and of Simcox for the visitors, who held the locals to five hits and struck out seven men. Neither pitcher gave a pass.

In the early stages of the game things looked dark for the home team. The Bear Cats scored in the first, second and fourth innings, and were leading 3 to 0 at the end of the sixth inning. The home team scored one in the seventh, when Archie singled and scored while Larette missed a hard drive to deep right by B. Dupont. The game was put on ice by the combination in the eighth when the two men retired. The home team drove out to left field for two bases, scoring Kelley and LaPlante. In the ninth the visitors were easily disposed of by Larkin, who retired the last two, catching the first man up on an infield fly and striking out the next two men.

**FINANCIAL AND COMMERCIAL**  
A WAITING MARKET.  
Losses Generally Small, But the Undercurrent Heavy.  
New York, Aug. 21.—Definite news concerning the affairs in which Wall street is particularly interested just now was lacking today, and the market movements of stocks reflected the lack of a well defined speculative sentiment. For the most part losses were small, exceeding a point only in a few instances, but the undertone was heavy throughout.

It was a waiting market and while sentiment was bearish traders were not in the mood to enter upon new ventures, pending the clearing up of at least some of the problems of the present situation. News from Mexico was mixed. The continued uncertainty over the Mexican situation was regarded as perhaps the chief restraining factor. The reduction of \$3 a ton in the price of steel attracted attention, the course of the market for bills being considered one of the best indications of prevailing conditions in the steel trade. United States Steel was sold persistently and the heaviness of this stock market favorite influenced the entire list.
